#### SECTION IV- ADDITIONAL COMMENTS

On 10/6/10, I met with employees of Mono County Health & Human Services and Mono County Probation. Project personnel are aware of Cal EMA reporting requirements and operational documents. The project maintains manual and electronic record-keeping documentation to support grant expenditures and programmatic requirements reported to Cal EMA.

#### Section I #6 - Cal EMA Modification

A 2-223 may be submitted if it is determined there will be a surplus in the line-item for residential treatment. Project staff will continue to monitor the expenditures in residential treatment and will submit a budget modification if needed.

#### Section 1 #14 - Program Goals & Objectives

The number of services provided to probationers and parolees is lower than anticipated. A Grant Award Modification may be submitted to adjust these numbers.
